

Vaal

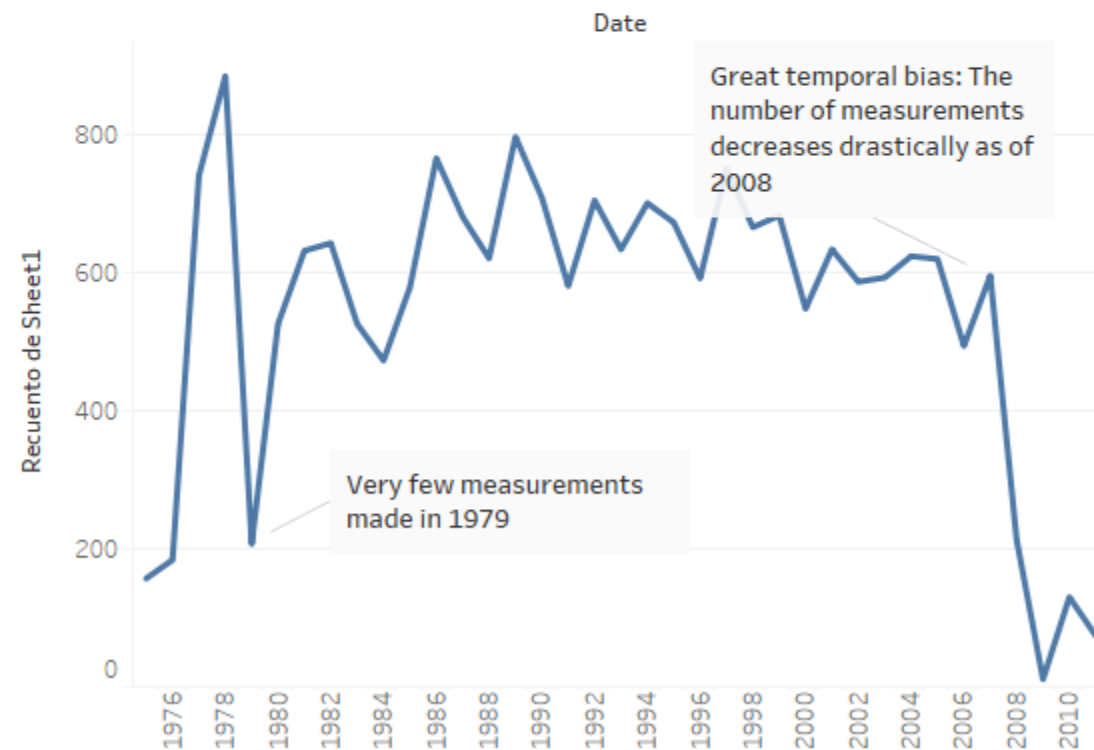

Position of the sampling points of the Vaal River, mines and ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at the Vaal river sampling points
---	--	---	---	---	---	---	---

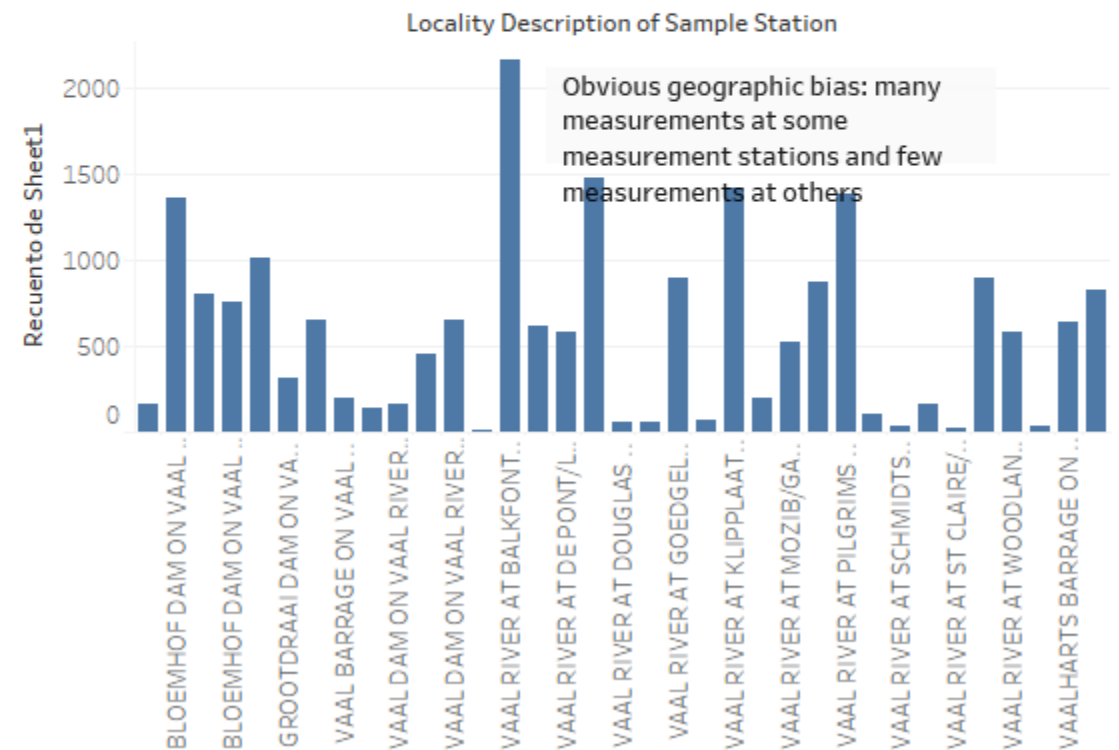

Vaal

Position of the sampling points of the Vaal River, mines and ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at the Vaal river sampling points
---	--	---	---	---	---	---	---

Number of samples per year

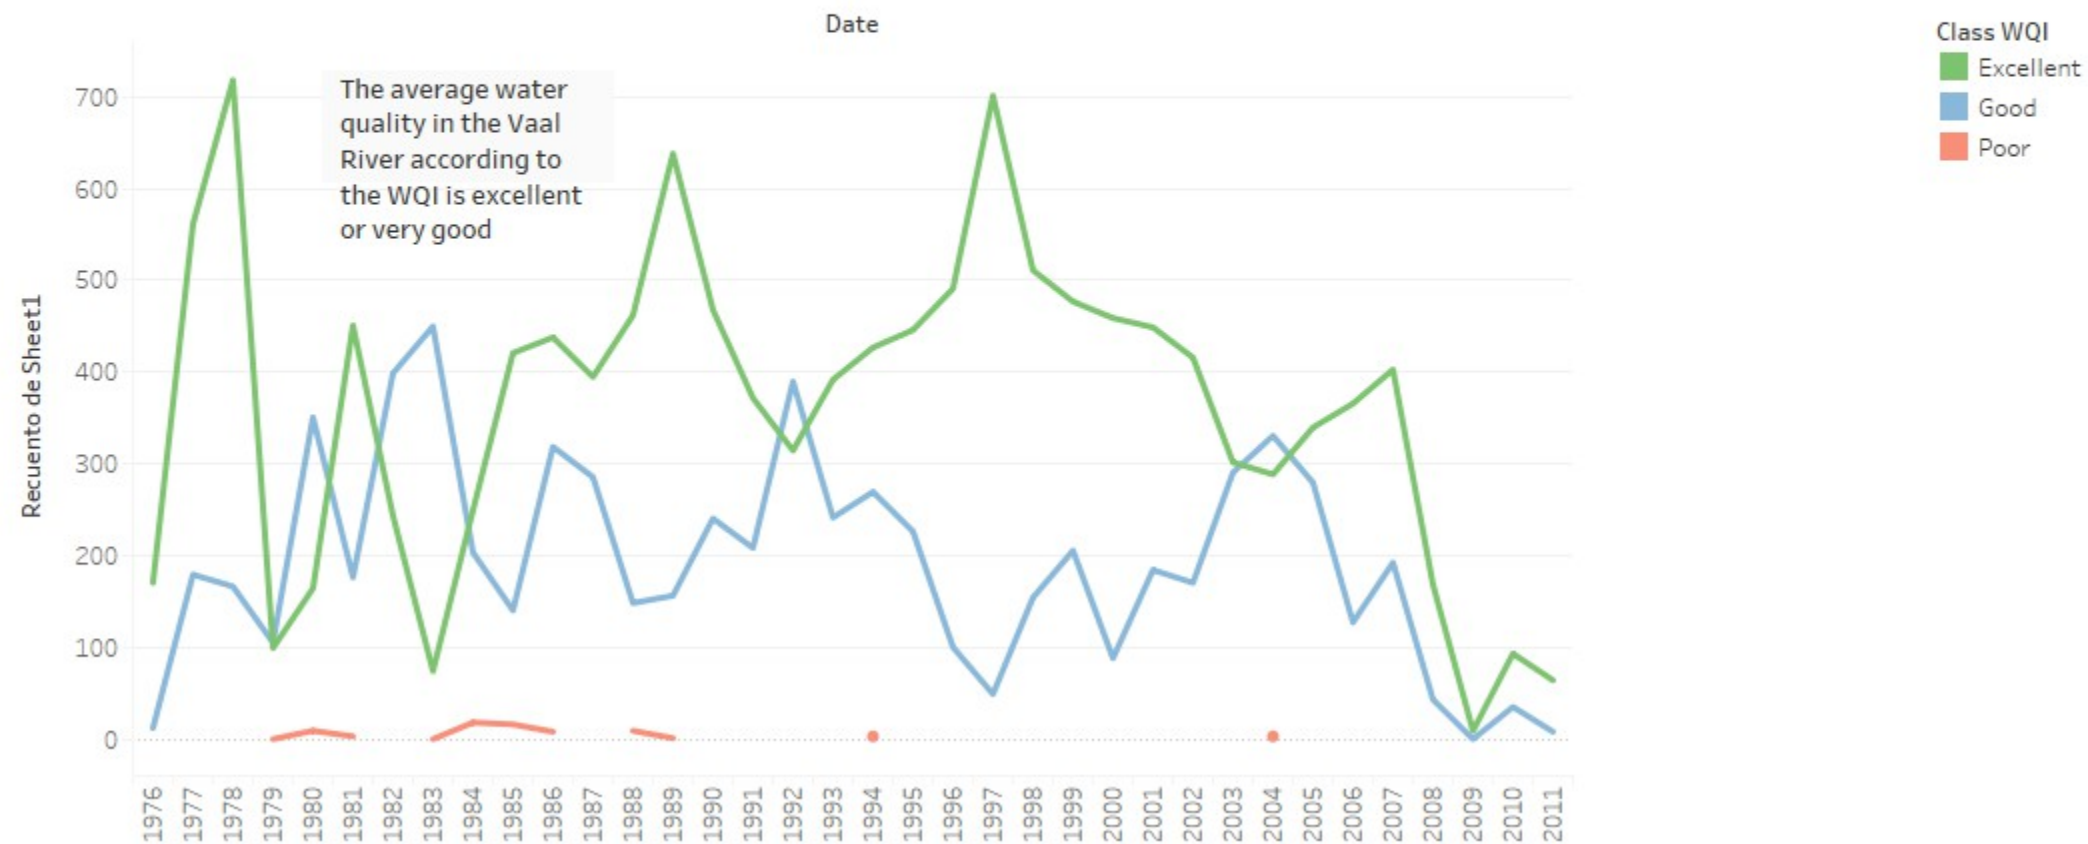

Number of measurements per measuring point

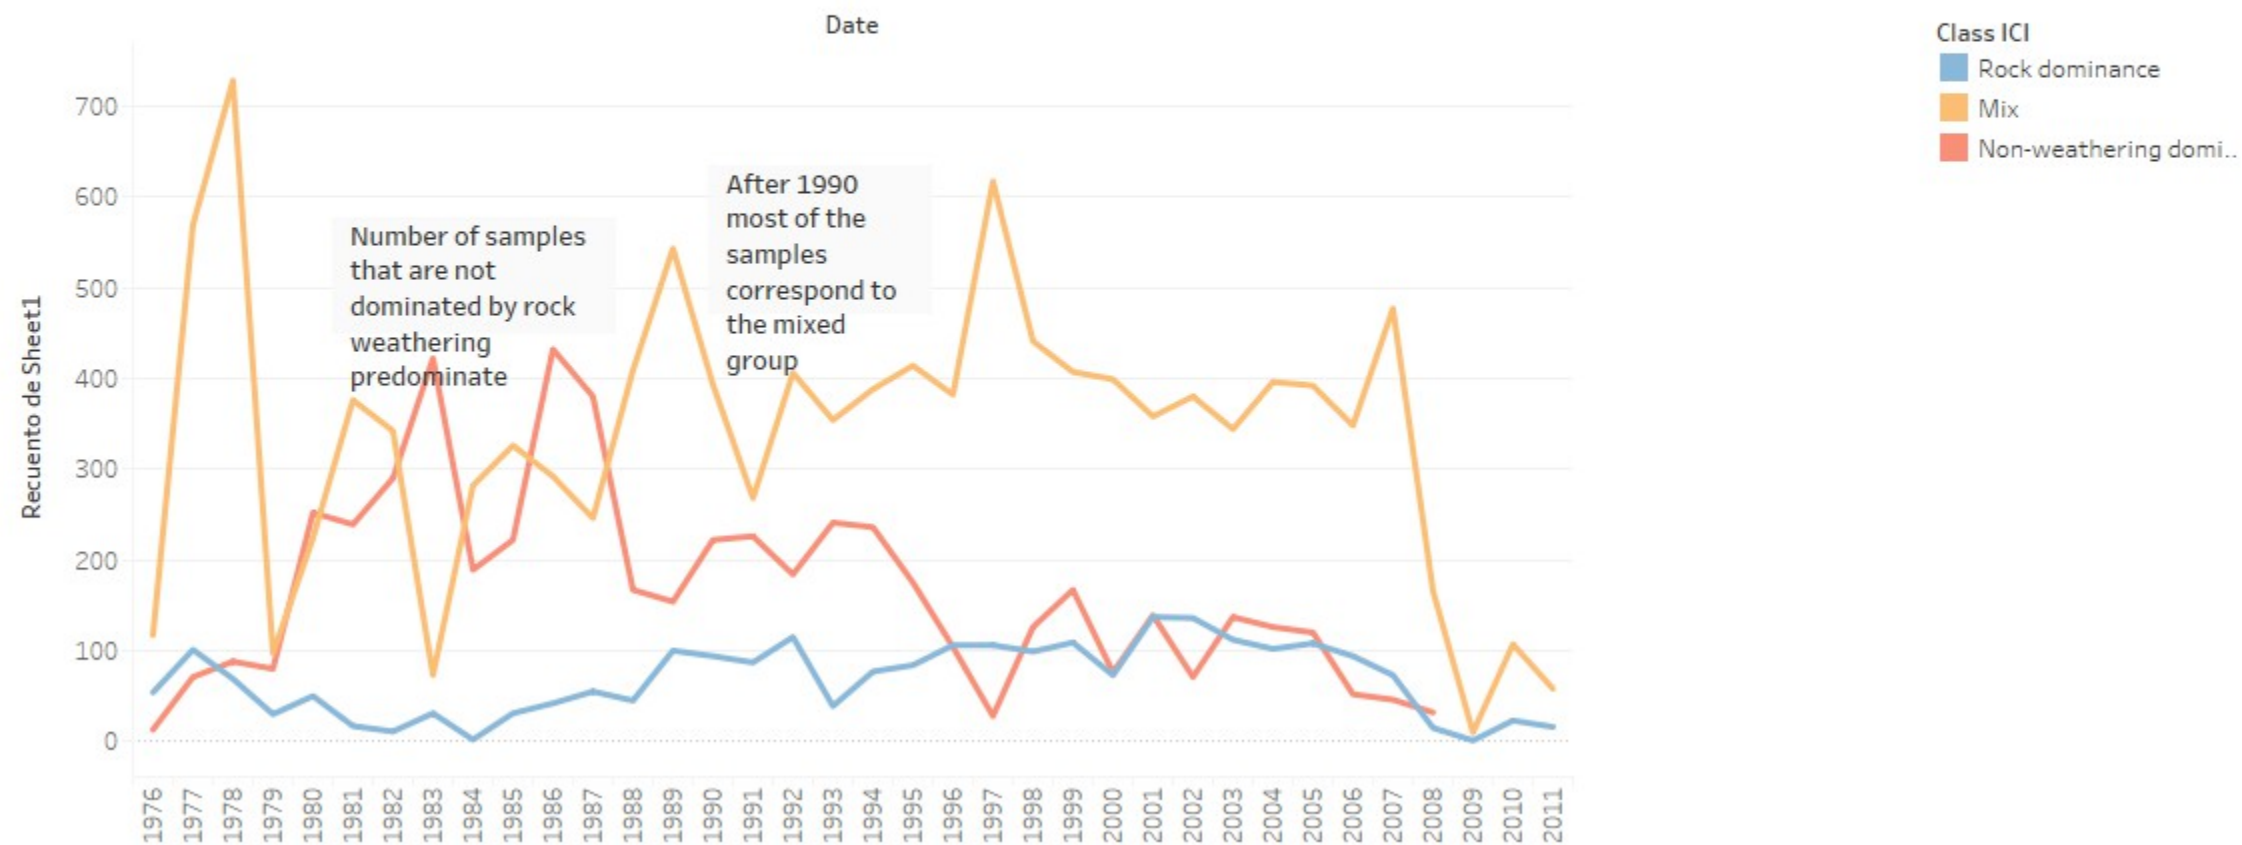

Vaal

Position of the sampling points of the Vaal River, mines and ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQI..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at t he Vaa..
---	--	--	---	---	---	---	---------------------------------

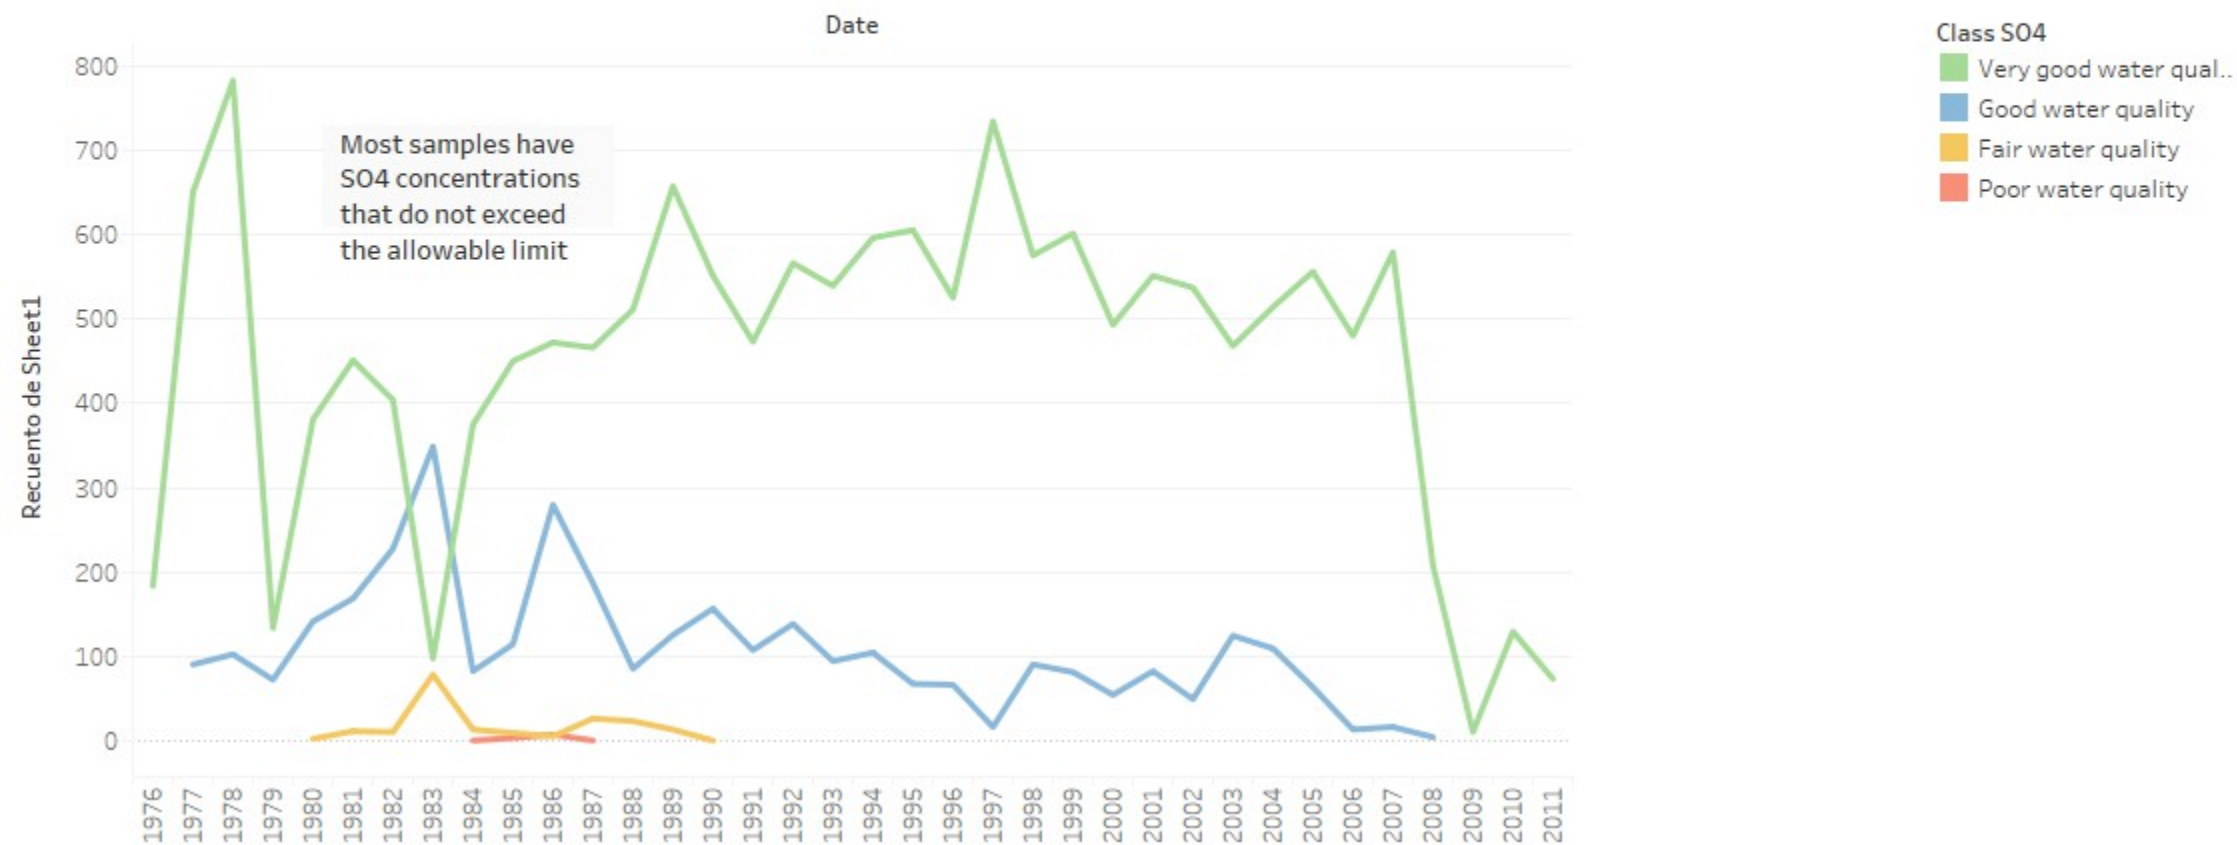

Vaal

Position of the sampling points of the Vaal River, mines and ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at t he Vaa..

Vaal

Position of the sampling ..	Geographical and temporal bias in the Vaal River ..	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at the Vaal river sampling points
-----------------------------	---	---	---	---	---	---	---

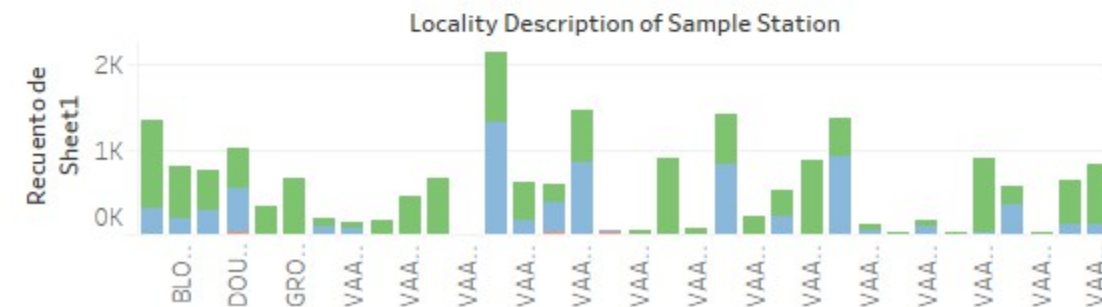

Mean WQI for each measuring station

Evolution of the WQI in the Vaal River

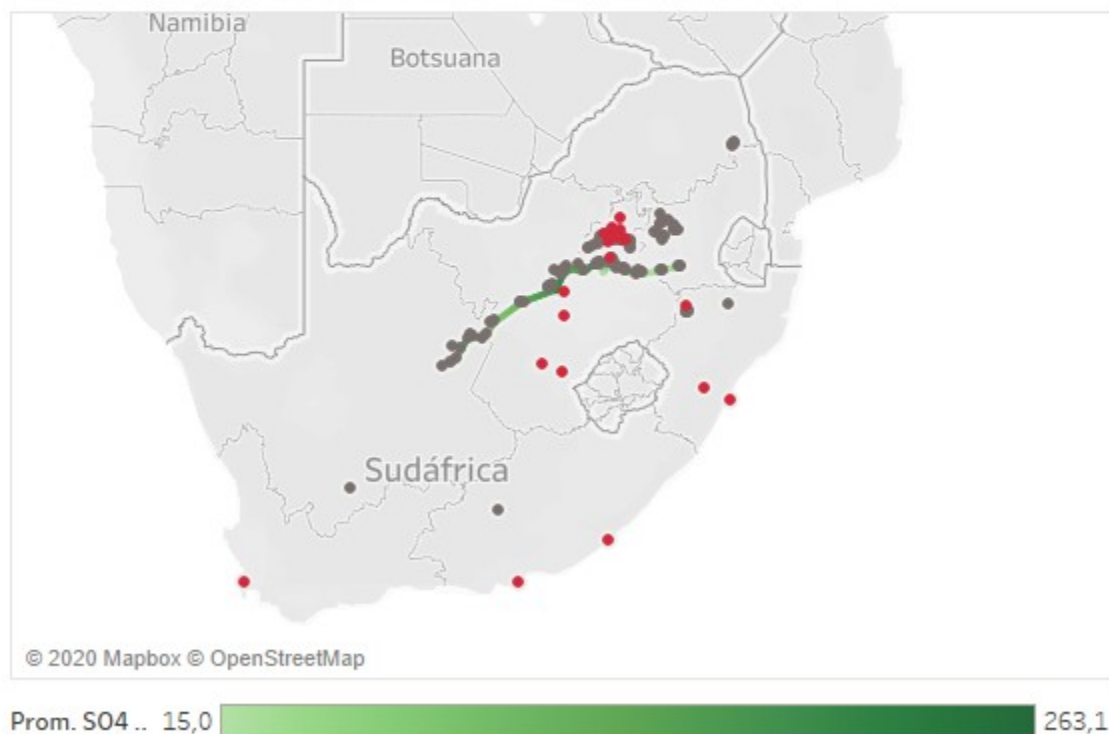

Number of measurements per measurement point
according to its WQI class

Vaal

Position of the sampling ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at the Vaal river sampling points
-----------------------------	--	---	---	---	---	--	---

Mean WQI for each measuring station

Evolution of the WQI in the Vaal River

Class S04  Very good water..  Good water qua..  Fair water quali..  Poor water qual..

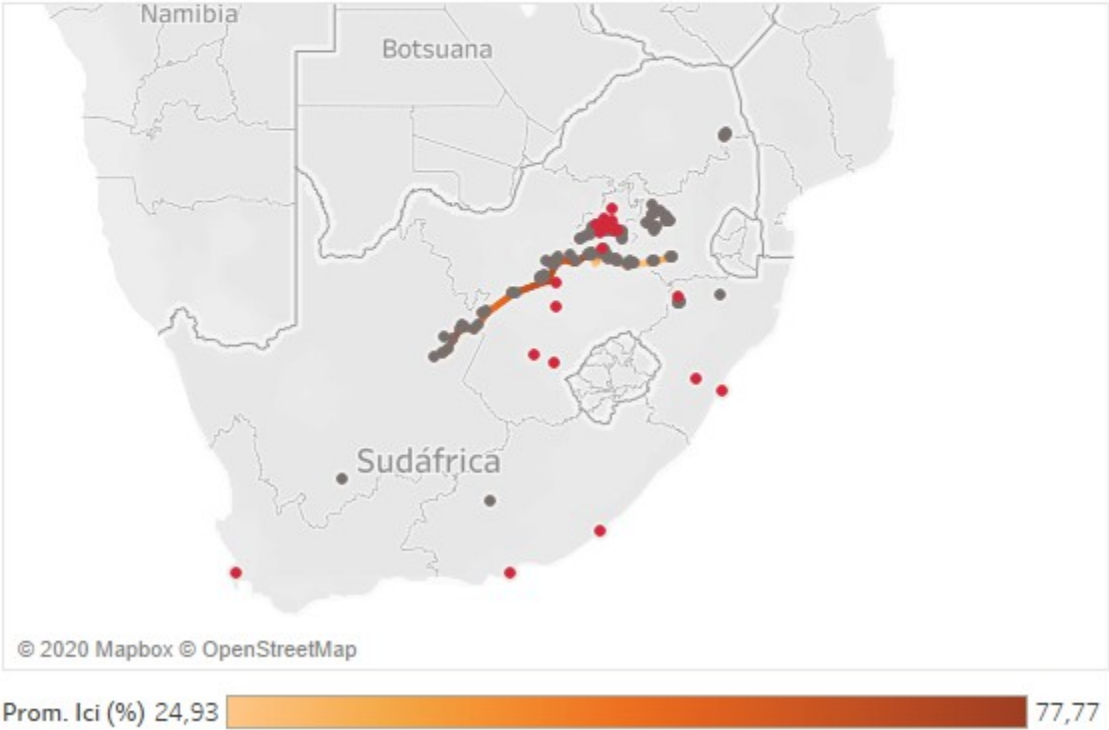

Number of measurements per measurement point
according to its SO4 class

Vaal

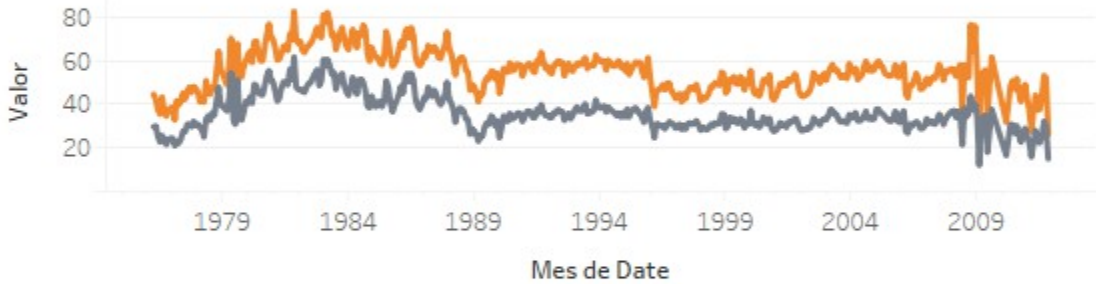

Position of the sampling ..	Geographical and temporal bias in the Vaal River	Number of samples measured per year according to their WQ..	Number of samples measured per year according to their ICI ..	Number of samples measured per year according to their ICI ..	Water Quality Index at the Vaal River sampling points	SO4 concentration at the Vaal river sampling points	SO4 concentration at the Vaal river sampling points
-----------------------------	--	---	---	---	---	---	---

Mean WQI for each measuring station

Nombres d.. Prom. 2(So4) Prom. Ici (%)

Evolution of the WQI in the Vaal River

Class ICI Rock dominance Mix Non-weatherin..

Number of measurements per measurement point according to its WQI class
